---	----------------	--

In her twenty-five year career, Lesley has focused primarily on cases that protect the public interest, consumers, and public entities. She continues to do so as the Head of BFA's Antitrust and Consumer Litigation Teams, and as the Partner in Charge of BFA's California Office. She has received multiple honors throughout her career, including recognition as California Attorney of the Year in 2018, a SuperLawyer since 2016, a ranking in Chambers, and induction into the Fellows of the American Bar Association in 2017.

In July 2018, Judge Chhabria of the Northern District of California appointed Lesley as co-lead counsel for plaintiffs in *In re: Facebook, Inc. Consumer Privacy User Profile Litigation*. The litigation consolidates more than 30 cases filed around the country alleging that Facebook violated consumer fraud and privacy laws in allowing hundreds of third party apps, including Cambridge Analytica, to bundle and sell Facebook users' personally identifiable information without their knowledge or consent. She also currently serves as co-lead counsel in the *Calhoun et al. v. Google LLC* class action, a nationwide data privacy class action brought on behalf of Google Chrome users alleging that Google violated its express promise not to take users' personal data when using the Chrome browser outside of synched mode.

Lesley is also a member of the Plaintiffs' Executive Committee in the *In re Google RTB Consumer Privacy Litigation*, a nationwide class action challenging Google's practice of sharing and selling users' personal information through Google's digital ad auction system, Google Real-Time Bidding (RTB); and is a member of the Plaintiffs' Steering committee in *In re ZF-TRW Airbag Control Units Products Liability Litigation*, a class case alleging that the ZF-TRW airbag and seat belt control units in over 15 million cars are defective and may prevent airbags from inflating in the event of crash.

Lesley previously served on the Plaintiffs' Steering Committee in *In re Volkswagen "Clean Diesel" Marketing, Sales Practices, and Products Liability Litig.*, MDL No. 2672 CRB (JSC). The PSC in the Volkswagen litigation recovered \$14.7 billion for class members and nearly \$5 billion for the environment, the largest automotive class action recovery ever. Lesley has also served on Plaintiffs' Steering Committee in *In re Chrysler-Dodge-Jeep EcoDiesel Marketing, Sales Practices and Products Liability*, MDL No. 17-MD-02777-EMC ("Fiat Chrysler") alleging that Fiat Chrysler Automobiles deliberately cheated on emission testing of 2014-2016 model Dodge and Jeep trucks marketed and sold as environmentally friendly "eco-diesel" vehicles. The PSC in this litigation recovered \$307 million in cash in addition to extended warranties worth more than \$120 million for class members.

In pro bono matters, including negotiating reforms in the merger between SunTrust and BBC banks, Lesley represents the National Black Farmers Association, an organization dedicated to securing better economic conditions for farmers with deep historical roots in our country's economic success.

In addition, Lesley has extensive experience representing sophisticated institutional investors in landmark securities actions. Some of those cases include *In re Cavanaugh Securities Litig.* (including an appeal to the Ninth Circuit concerning the method of selecting lead plaintiff and lead counsel after the enactment of the Private Securities Litigation Reform Act.); *In re Marsh & McLennan Cos. Sec. Litig.* (\$400 million settlement); *In re Cardinal Health Inc. Sec. Litig.* (\$600 million settlement); *In re Cisco Systems, Inc. Sec. Litig.* (\$99 million settlement); *In re Northpoint Communications Group, Inc.* (notable decision finding that certain allegations of scienter and falsity in securities suit were pled with particularity required by PSLRA and statements made about potential merger with Verizon were deliberately reckless); and *CommTouch Software, Ltd. Sec. Litig.* (notable decision finding complaint pled with sufficient particularity to support an inference of deliberate misconduct), among other significant cases.

In addition, Lesley counsels clients seeking to opt out of class action litigation, assisting them in negotiating confidential, private settlements with outstanding results.

In October 2014, Lesley tried an internet privacy case against a Chinese-owned, California-based internet site, recovering 100 percent of economic damages and a \$15 million punitive damages jury verdict, as well as significant injunctive relief. Her first trial was in 1998 before the Hon. Vaughn Walker on behalf of Amanda Buritica, a U.S. citizen born in Colombia who was unlawfully detained by U.S. Customs at San Francisco International Airport. The case resulted in the largest verdict at the time under the Federal Tort Claims Act.

Lesley is committed to public service through volunteer efforts. She currently serves as Chair of the Executive Committee of the Securities Section for the Bar Association of San Francisco, as well as Current chair of BASF's cybersecurity and privacy committee. She has been a repeat presenter at the Bolch Institute's MDL Certificate training program and is one of the original drafters of the Duke MDL Diversity Guidelines. She is a past Co-Chair of Bay Area Lawyers for Individual Freedom, a past Co-Chair of the San Francisco LGBT Community Center, past National Chair of the National Center for Lesbian Rights, and past Vice-President and Director of the Board of the Frameline Film Festival. She has previously served on the boards of Women Lawyers of Alameda County, Equality California, the International Gay and Lesbian Human Rights Commission, and the Alice B. Toklas Democratic Club. She also is a member of Public Justice and of the National Association of Public Pension Attorneys (NAPPA).

Lesley holds degrees from the University of Virginia and Harvard College. She studied political science at the University of Bonn (Germany), and attended high school at Haderslev Katedraleskole in Denmark. She speaks German and Danish.

Lesley is admitted to practice in California (1997), the U.S. Court of Appeals for the Ninth Circuit (1998), and the U.S. District Courts for the Northern District (1997) and the Eastern, Central, and Southern Districts of California (1998).
